

**The Concord250 Permanent Memorials Subcommittee is raising funds to help plant 250 trees across Town between the fall of 2024 and the fall of 2025. Can you help?**

We won't know the total project cost until contractor bids come in during the summer of 2024, but we know the cost will be higher than the \$250,000 anticipated to come from Community Preservation and American Recovery Plan Act funds. A single street tree may cost as much as \$1,600 to purchase, plant, and maintain for two years until it is established.

**Gifts of any size are appreciated!**

**\$50 - Will fund two gator watering bags**

**\$175 - Will fund one small tree for planting in a grove**

**\$350 - Will fund one large street tree**

**\$700 - Will fund four small trees for planting in a grove**

**\$1,600 - Will fund the purchase, planting, and two years of maintenance for one large street tree**

**\$5,000 - Will fund a very large "signature" tree**

Checks can be made out to the "Concord250 Corporation" and mailed to:

*Concord250 Corporation*

*PO Box 250*

*Concord, MA. 01742*

**In doing so, please make sure the donor specifies the gift is made for the specific purpose of supporting the 250th Tree Planting Initiative.**

**Questions? Email [250ConcordTrees@gmail.com](mailto:250ConcordTrees@gmail.com)**
